Funding Body	Keywords	Deadlines	Links
March			
NOS-HS exploratory workshop call 2021	Support for explorative workshop series held in the Nordic countries in order to support the development of new research areas and programmes within the humanities and social sciences (e.g. establishing new ambitious research projects and networks; preparation of research proposals to international research programmes.) Workshops must have a strong research focus and involve collaboration between researchers from different Nordic countries.	March 31, 2021	https://www.aka.fi/en/nos-hs/calls/workshop-grants/

April

<p>Innovation Fund Denmark, Grand Solutions Program</p>	<p>In 2021, there will only be call for applications. The 3 topics for the 2021 call are: * Green Research, Technology Development and Innovation. * Technology and innovation that develops production and creates jobs and opportunities in Denmark. * Life Science, Health, Welfare Technology and Clinical Research.</p>	<p>April 8, 2021</p>	<p>https://innovationsfonden.dk/en/programmes/grand-solutions</p>
<p>ERC Starting Grant</p>	<p>“PhD age” 2-7 years</p> <p><u>Independence</u> is the keyword. Independence implies publishing research carried by own ideas; being ready to lead a team of researchers to ground-breaking results. CV documents independence in several dimensions such as:</p>	<p>April 8, 2021</p>	<p>https://erc.europa.eu/funding/starting-grants</p>

	<p>Mobility: Employment/research stays abroad. You have spent time in other places than where you completed your PhD. You have a strong international network.</p> <p>Publications in internationally leading journals, conference proceedings, international publishers. Number is not pivotal. Norms for publication of excellent science depends on area of research.</p> <p>Other types of Recognition: Invited speaker, keynotes, grants, awards.</p>		
<p>The Danish Industry Foundation/Industriens Fond Theme: From crisis to competitiveness</p>	<p>The purpose of the call is to strengthen Danish firm's ability to handle global crises and seize the opportunities that the crises pose for transition and innovation</p>	<p>April 9, 2021</p>	<p>https://www.industriensfond.dk/TemaFraKriserTilKonkurrencekraft (Call in Danish only)</p>

	<p>Focus on SMEs in two project tracks:</p> <ol style="list-style-type: none"> 1. Robustness towards uncertainty 2. Value creation in uncertain environments <p>NB: The call does NOT include projects that primarily focus on generating new research or conduct analyses within the theme.</p>		
<p>ERC Consolidator Grant</p>	<p>“Phd age” 7-12 Years</p> <p>You have a strong international profile and experience with research leadership. You are ready to lead a very ambitious research project with authority, and to set a clear international agenda within your research area. Your CV includes:</p> <p>Mobility: Employment/research stays abroad. You have spent time in</p>	<p>April 20, 2021</p>	<p>https://erc.europa.eu/funding/consolidator-grants</p>

	<p>other places than where you completed your PhD. You have a strong international network.</p> <p>Publications/first author in recognised journals, conference proceedings, international publishers. E.g. 10 publications, but the number is not carved in stone.</p> <p>Other types of Recognition: Invited speaker, keynotes, grants, awards.</p> <p>Research leadership. You must have experience with leading others and have been granted at least one external grant as PI. You must have experience with PhD supervision.</p>		
<p>Spar Nord Fonden</p>	<p>* PhD and Postdoc * Theme: COVID-19 and UN Goal 10 (equality), with a particular emphasis on young people</p>	<p>April 30, 2021</p>	<p>https://www.sparnordfonden.dk/media/53105/Phd-og-PostDoc-2021-soeg-nu.pdf</p> <p>(Call in Danish only)</p>
<p>May</p>
